The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Board and the preliminary assessment of the Group’s unaudited consolidated management accounts for the six months ended 30 September 2018, it is expected that the Group’s unaudited profit and total comprehensive income attributable to owners of the Company for the six months ended 30 September 2018 will increase substantially as compared with the corresponding period last year. As the Company is still in the process of finalising the results of the Group for the six months ended 30 September 2018, the information contained in this announcement is only based on a preliminary assessment with reference to the information currently available to the Board, which are subject to finalisation and potential adjustments and have neither been audited by the Company's auditor nor reviewed by the audit committee of the Company.
